

RetailCo - Accessibility Commitment

1. Statement

RetailCo is committed to providing a website and shopping experience that is accessible to people with disabilities and meets recognized accessibility standards where feasible.

2. Standards & Improvements

- We strive to follow WCAG 2.1 AA best practices and continuously improve based on audits and customer feedback.
- Feedback regarding accessibility issues can be sent to accessibility@retailco.example.

3. Assistive Services

- RetailCo may offer additional assistance during the purchase process (e.g., voice interaction, dedicated support channels) to accommodate diverse needs.
